Please return completed form with a copy of your government-issued photo ID, such as a driver license, to Teen Health by mail, fax, email, or in person. If emailed, you assume responsibility for any unexpected release of personally identifying information (name, birth date) that may occur via electronic transmission. If mailed, faxed, or emailed, this form must be signed by a notary.

Note: State law gives Teen Health the right to deny records requests if our providers believe that release of records would be harmful to the patient's physical, mental, or emotional health. Also, minors have legal, exclusive rights to certain records (i.e. treatment/test results for reportable communicable diseases).
